History

The Room was named in 1987 in memory of Norman Sosnow, who matriculated in 1962 and graduated in 1965. Tragically he lost his life in an aircraft accident in 1967 at the age of 23.

The Room also commemorates the work and generosity given to Christ's College by his father, Eric Sosnow. Born in Poland, he came to London in 1934 as a research assistant at the London School of Economics.

In 1968 Eric Sosnow and his wife sought to keep alive the memory of their son in the College which he loved by endowing the Norman Sosnow Travel Scholarships. Eric Sosnow was a Fellow-Commoner from 1982 until his death in 1987.
