CONFERENCE ROOMS

The Amenity Room is located in the Todd Building, and is particularly well-suited to Summer Schools and academic programmes, offering a flexible environment for teaching and group work.

It can accommodate 25–30 delegates in a U-shape or 20–25 in a boardroom layout, making it ideal for seminars, workshops, and collaborative sessions.

It also makes an excellent breakout space for those using the nearby Plumb Auditorium as their main meeting venue, allowing programmes to run smoothly with a dedicated area for smaller group discussions and activities.
