New Court Seminar Room

YUSUF HAMIED COURT

This welcoming room located in New Court, is well suited to boardroom style meetings or as a flexible breakout pace for up to 12 delegates. Its convenient location close to the Yusuf Hamied Theatre and other meeting spaces also makes it an excellent choice for use as a conference office or organiser hub.

With air-cooling to maintain comfort throughout the year, it provides a practical and pleasant environment for a variety of event needs.

New Court Seminar Room

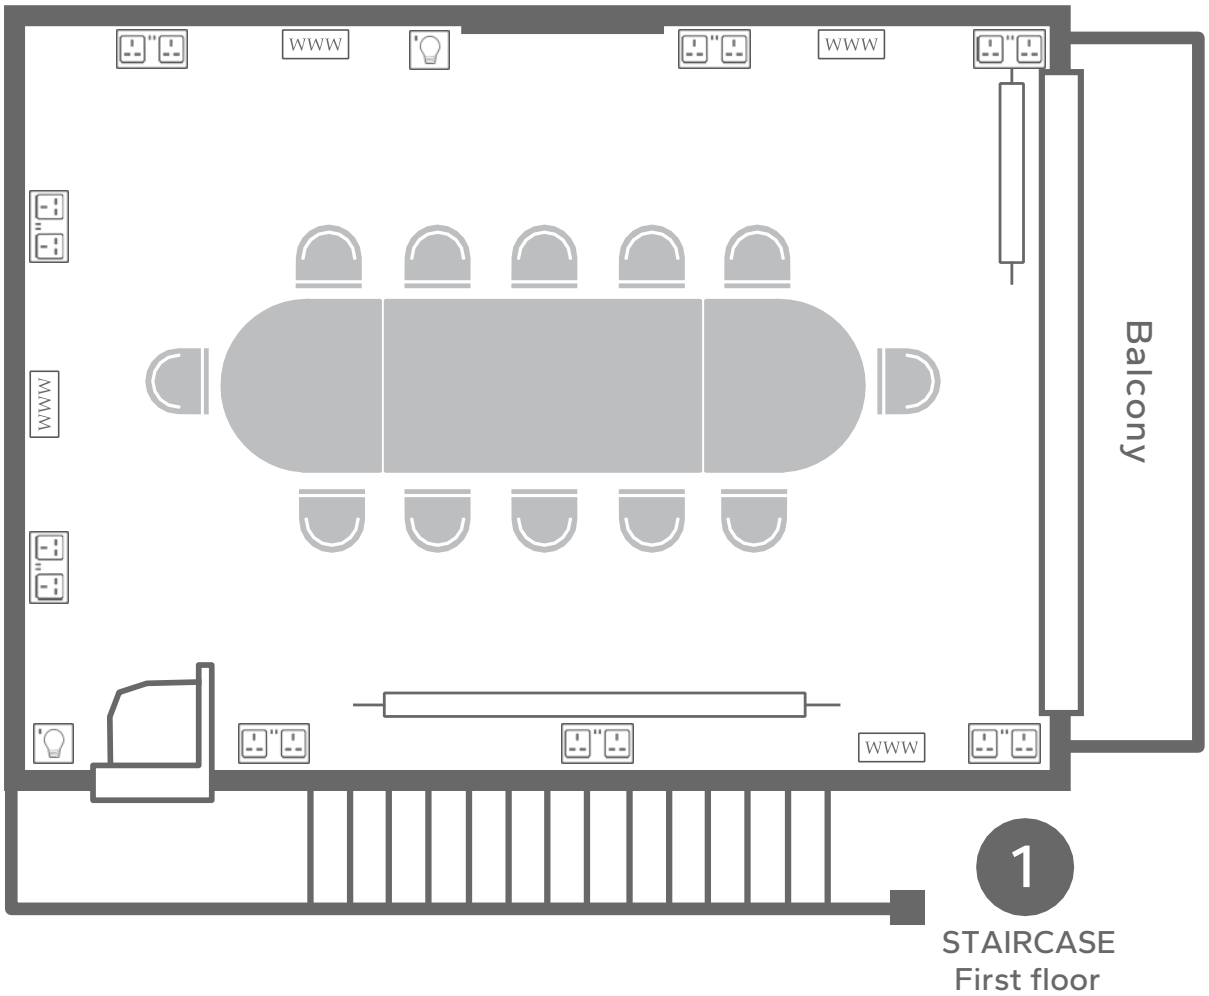

YUSUF HAMIED COURT

History

The New Court Seminar Room is located within the distinctive New Court building at Christ's College, a striking example of Brutalist architecture designed by Sir Denys Lasdun in 1969–70.

Positioned next to the Darwin Garden, the building is officially known as New Court but is more widely referred to as the "Typewriter" due to its unique, angular design.
